

2023 - 2024 ANNUAL REPORT

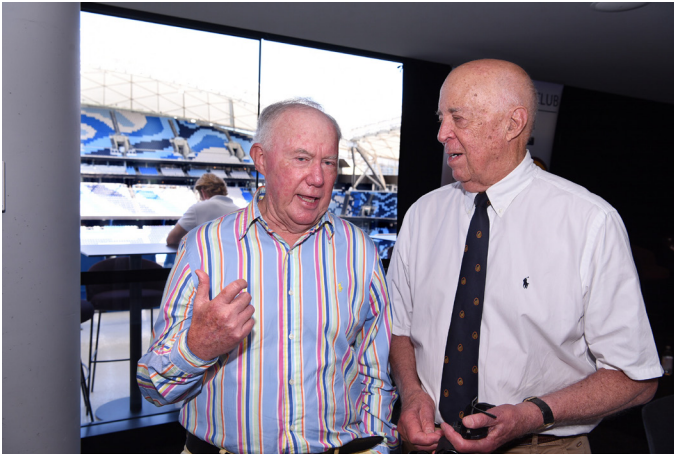

Images from Primary Club charity recipients, Disability Sports Australia and Making Waves Foundation, along with the celebration of Jim Maxwell's 50 Years at the ABC at the Sydney Test Breakfast with Deputy President Rick Glover and Twelfth Man Mark Taylor

THE PRIMARY CLUB
OF
AUSTRALIA

Providing sports & recreation opportunities for people with disabilities

President Jim Maxwell working the room at the Pakistan Test Breakfast with Peter Howarth (above), Ambassador Alex Blackwell (lower right) and Twelfth Man Mark Taylor (bottom right)

As we approach our 50th year of operation, I pause to reflect on some significant milestones, which we like to publicise when enticing new members and new corporate supporters.

1. Over \$8 million now raised for sporting and recreational facilities for people with a disability;
2. 600 charity partner projects;
3. 60,000 people positively impacted; and
4. Over a million smiles every year!

I reflect on the day about 10 years ago, when Primary Club members helped out at the Special Olympics cricket carnival at Bradman Oval, Bowral. I chatted to some of the players' parents and family members, who reminded me what a thrill it was for them to watch their loved one enjoying the chance to play cricket at such an iconic venue. A special day for them to relax and witness the spectacle.

Thanks to our Founding Fathers, Jon Erby AM and Peter Howarth OAM, whose dream it was all those years ago to corral the many and varied cricket communities around the country and inspire them to help out our sisters and brothers with special needs and provide them the opportunity to enjoy sport and recreation.

At the time of writing, we are days away from our "Baggy Green Dinner" at the Sydney Cricket Ground to commence our 50th Year celebrations and to celebrate another three amazing athletes as winners of the Sir Roden Cutler Award.

This Annual Report provides some insight into the success of our special events in 2023/24, such as the Primary Club Cricket Team's recent season and England tour, our Golf Challenge at The Lakes, Sydney Test Breakfast and the North Sydney Oval Festival.

More importantly, Chair of our Charities Sub-Committee, Derick Borean reports on the seven new charity projects approved during the year and where they will make a positive difference.

We have an exciting summer of cricket coming up. Aligned to the Men's India Test Series, we have events in Sydney and Melbourne, and blocks of A Reserve seats booked for those matches as well as Adelaide and Brisbane. We welcome new Committee Member, Col Hackwood, who is taking the lead on PCA events to be held in Victoria with similar-minded cricket communities in that state.

I wish to recognise the invaluable role played by our Ambassadors through the year – beyond Pat Cummins being occupied on the field and with family and commercial commitments, we were so pleased that Simon Taufel, Lisa Sthalekar, Alex Blackwell and Matt De Groot were all able to attend and speak at functions through the year, alongside our Patron and 'Twelfth Man' Mark Taylor.

Liesl Tesch OAM MP has requested that she step aside from her Ambassador role since becoming NSW Parliamentary Secretary for Disability Inclusion, a role which we believe is aligned to Primary Club ideals. So, we wish her well and hope to find opportunities to complement each other.

Matt De Groot has also sought 'leave of absence' as Bronte and he move to the UK on respective career assignments.

Finally, I would just like to remind our Members how important your personal support is in several areas – financial, volunteering at and supporting our events.

Have a wonderful year ahead!

Jim Maxwell,
President

UPGRADE YOUR MEMBERSHIP TO GOLDEN DUCK DONOR STATUS!

Standard Members pay a subscription fee of \$50 per annum, plus the 'donation fines' currently \$150. However, you may wish to consider donating at least \$1,000 each year and we will recognise your contribution with the highly regarded 'Golden Duck Donor' classification. As you know, 100% of all donations go straight into our charities trust and are fully tax-deductible.

Golden Duck Donors enjoy privileges such as preferential seating at our events, access to our VIP guests, and invitations to special 'thank-you' functions. If you love the work the Primary Club of Australia does, then please help us by upgrading your membership today, by making a \$1,000 donation via the link on the website, or calling Mahalia on 0403 606 224.

THE SUCCESS OF THE PRIMARY CLUB PAST, PRESENT AND FUTURE IS DUE ENTIRELY TO THE COMMITMENT OF PEOPLE SUCH AS YOURSELVES WHO HAVE DONATED TIME AND EFFORT.

Once again over 2,500 hours of time was donated by volunteers including the Primary Club of Australia Management Committee, the Charities Sub-Committee, photographers at events, the Auditors and Legal Advisors, volunteers and members who donated their time for events such as our North Sydney Oval Festival, various charity project openings, social cricket matches and the golf days.

In the 2023-2024 financial year, the Primary Club of Australia approved 7 new applications for funding from our charity partners. In total, new grant commitments for the year came to \$93,106.

Member contributions continue to make a substantial difference to the lives of countless people living with disabilities across Australia.

- Boccia Australia, \$7,330 for 'start-up kits' for two new clubs in regional NSW
- Cerebral Palsy Alliance, \$41,603 for sporting equipment
- Snowy Valleys School for Special Purpose at Tumut, via SchoolsPlus, \$22,415 for sensory room equipment
- Sydney Football Club Foundation, \$10,320, via Australia Sports Foundation, for equipment for Gala Sports Days
- St Lucy's School at Wahroonga, \$195 for sports equipment
- Disability Sports Australia, \$5,077 for Deliverers Kit - noise-cancelling headphones, audible footballs and audible cricket balls
- Sargood Foundation at Collaroy, \$6,166 for adaptive kids' cycles

In addition to the commitment to the above projects, the Primary Club also set aside \$22,500 for the 2024/25 Sir Roden Cutler Award finalists due to be presented on 25th September 2024, making a total commitment of 115,606 to new projects.

I wish to acknowledge the great work by Shirley Beaumont Owles who continues her valuable contributions on the Sub-Committee, now joined by Brad Oldridge, our Honorary Secretary.

Derick Borean
Chair, Charities Sub-Committee

Rowing, sailing, batting, cycling, throwing, footy and mountain biking- the Primary Club has you covered!

Members have experienced a busy summer, not only with all the international and local cricket being played, but with a range of the Primary Club's own activities and events.

As we embrace our 50th Anniversary Year, please make sure you renew your membership, pay your fines, attend events, but also invite your friends and family members to join in the "fun-raising", and volunteer where and when you have the time.

The spirit of volunteering is what helps our charity progress and achieve new milestones helping our target community of 4.4 million Australians living with a disability.

Nathan Dale,
Director of Operations

The Lakes Golf Classic 2024

A championship golf course such as The Lakes attracted 90 players, who certainly arrived with inspiring anticipation, while participating in the early morning stretching exercises led by Altius. 32 of them played in foursomes entered by our hole sponsors, thanks to Allen & Unwin, Altius, FDC Building, Point Insurance, Magnolia Lane, Envest, Shaw & Partners and SURA/Austagencies.

The weather gods looked fondly upon our golfers after a gloomy start to the day on Thursday 2nd May. The course was in top condition and promised some great golf.

The presence of those sponsors, plus our wine supplier Hentley Farm, had a positive impact on the day, enabling us to raise almost \$26k for our charities. We appreciate the support from prize donors – Golf to the Max, Rugby Australia, Bonville Resort, Australian Golf Club, Callaway, Sydney FC and The Lakes Golf Club,

President Jim Maxwell and another 6 people joined the 'Essential BBQ Luncheon' that followed – volunteers and partners - who greeted all the players and listened to their mournful stories about on-course performances.

James Gribble and the Altius foursome at The Lakes

Seen at the Breakfast, James Howarth, David Everett, Peter Howarth, Sonya Everett and Jack Melville (top) and Peter James with Duncan Macintyre (lower)

Stephanie Brantz was MC on the day and with help from Tim Gilbert did a great job moving around the dining room chatting to special guests including Alex Brosque, Brad Fittler and Morgan Turinui.

North Sydney Hotel once again donated the 'Tower of Beer' on the 5th fairway, a keenly contested prize, while Adam Elbourne providing some of his wines for golf prizes.

Winners on the day in the 4BBB format were as follows:

- Perpetual Team Event – the Altius team comprising Leigh Testoni, John Gutteridge, Derick Borean and Drew Burden (115 pts)*
- Mixed Team Event – the LG Creston team with Abraham Marrett, Steven Prowse, Hugh Burton-Taylor and Janna Veitch (106)
- Novelty Team Event – no winner recorded
- Ladies Single – Alice LeMessurier (30)
- Men's Single – Jon Butcher (41)
- Tower of Beer – Ian MacAskill
- Nearest the Pin – Matt Ingram, Alice LeMessurier, Billy Kirk
- Longest Drive – Alice LeMessurier and Jordan Ballard

It's interesting to point out that 6 teams were within 9 points of the winners; so a very competitive field. Finally, we want to recognise and thank our volunteers on the day. Trish, Vivian, Pam and Shaan helped with selling raffle tickets and setting up the dining room, while Peter Buscall supervised the Tower and took photos. Well done, all of you!

Ken Glover, Gavan Carroll and Geoff Verco
Event Coordinators

Sydney Test Breakfast

Mark Taylor, Jim Maxwell and MC Matt De Groot hosted 320 members and guests at our annual Test Breakfast on 3rd January, Day 1 of the Pakistan Test Match.

A feature of this year's event was the celebration of Jim's 50 years of ABC sports commentary, with Mark and Rick Glover presenting Jim with a certificate to recognise this milestone.

Former Australian cricketers, Ed Cowan and Alex Blackwell, were joined by ESPNcricinfo's Pakistani journalist and author Danyal Rasool for a panel interview conducted by Brett Sprigg (ABC).

The event yielded over \$23,000 to be directed to our various charity projects, with special thanks to our corporate supporters – Vocus, Argenti and Breene & Breene.

We look forward to January 2025, when the SCG will be hosting India in what will be a great Test Match contest. Bookings are available for our Breakfast and A Reserve SCG seats via the website now.

Rick Glover,
Deputy President

North Sydney Oval Festival

Following the success of the Festival over the last five summers, we were granted access to the iconic North Sydney Oval once again to allow the Primary Club to host two charity cricket days - 'Insurance Ashes VI' on Monday 26th February and 'Marathon Cricket XII' on the Tuesday.

A more comprehensive report is contained in our May 2024 "First Ball" Newsletter, viewable on the website. Suffice it to say that the Insurance Ashes was won by the Steadfast Group with Net Run Rate (NRR) of 1.85, despite a hot contest from runners-up, the Fire & Rescue team on 1.833. Thanks to all teams who participated - Austbrokers/SURA, CGU, Steadfast and newcomers Liberty Specialty Markets.

Rugby golfers, Matt Burke, Sean Maloney, Mat Rogers, Morgan Turinui (left), the winning Breene Machine and Steadfast teams at North Sydney Oval (below)

Following a similar format to Monday's event, but with a rain delay in the morning, four corporate teams competed – Vocus, Equinix, the Breene Machine, and the combined Seccom Global and Argenti team. Reigning champions, the Breene Machine, stormed home once again with their NRR of 1.426, with Equinix the runners-up team on 0.214.

Both days featured one of our charity partners demonstrating either wheelchair basketball or blind cricket. These were eagerly contested by our cricket players on the Oval Concourse.

Each evening, Last Man Stands ("LMS") organisation staged some demonstration T20 games, with their players also helping to raise funds for the Club.

Thanks to Stephanie Brantz, Jim Maxwell, Simon Tafel and Alex Blackwell who assisted with prize giving in the evening. Simon even donned his umpiring gear and tested his trigger finger out in the centre.

Finally, special thanks to our 16 volunteers over the two days! They maintained their spirit and enthusiasm throughout, as did Phil, Kris, Mohsin and the team of LMS umpires and scorers, who kept the program on schedule and provided instant updates on the scores and rankings.

And the overall outcome? Beyond the strained muscles and bruises, over \$33,000 was raised for our charities over the two-day Festival, another great result.

Geoffrey Verco,
Charity Development Manager

FORTHCOMING EVENTS

The Primary Club has reserved a block of A Reserve Seats for the Melbourne, Sydney, Adelaide and Brisbane Test Matches. Members interested should contact the office without delay.

*Primary Club Golf Classic
May 2025*

The management committee members present their report together with the financial report of the Primary Club of Australia Incorporated (the "Club") for the year ended 30th June 2024 (FY24) and auditor's report thereon.

Review of Operations

The Club's continuing activities during the year consisted of organising and undertaking fundraising activities with the purpose of donating funds raised to specific causes as agreed upon by the Club, in accordance with the Club's Charter. A summary of the financial performance is set out below.

	FY24	FY23
Total revenue	397,910	415,783
Surplus before donation	95,356	95,409
Donation committed/paid	(99,775)	(200,651)
Operating surplus/deficit	(4,419)	(105,242)

Comments on the operations and the results of those operations are set out below:

- The Club has continued with the policies of recognising any commitment to pay a donation when the donation is approved by the Charities Sub-Committee, or General Committee, in accordance with the authorisation limits set. This provides a clearer picture of the Club's ability to meet current and future donation obligations.
- After donations paid and committed to charities of \$99,775, the Club recorded an operating deficit of \$4,419 for FY24.
- The Club recorded slightly lower total revenue in FY24 compared to FY23, due to one major event, the Baggy Green Dinner, being rescheduled from March 2024 to September 2024.
- Cricket match fees remained similar to last year, despite a one-off increase of \$10k in cricket tour costs.
- Operating expenses (excluding donations paid and committed) were \$19k higher in FY24 compared to FY23, mainly due to one-off tour costs and investment in the website.
- The committee continuously reviews our expenses and assesses ways to optimise our efficiency, although we are not unique in encountering challenges due to the increasing cost of living pressures. Where possible we have tried to keep event fees flat, so costs to members do not increase.
- The Club remains in the position where every tax-deductible donation received by the Club is used in our charity program.

Insurance

During the financial year, the Club paid a premium of \$2,005 (FY23: \$2,001) to insure the committee members, volunteers and special risks.

Auditor

SDJA has been engaged to act as the Club's auditor since June 2020.

Significant Changes in State of Affairs

There were no significant changes in the Club's state of affairs that occurred during the financial year.

Principal Activities

The principal activities of the Club during the year consisted of organising and undertaking fundraising activities with the purpose of donating funds raised to specific causes as agreed upon by the Club, in accordance with the Club's charter.

GEORGE RICHARDS 1934 to 2024

George Richards, a long-time Member and friend of the Primary Club, will be remembered as a regular attendee at functions, especially his photography work at the Sydney Test Breakfasts, plus his many appearances as an umpire at matches at Dooralong.

Malcolm Brown, Sydney Morning Herald, writes: "Another Sydney link with the golden age of newspaper journalism passed this week with the death of George Richards, 89, former chief-of-staff of The Sydney Morning Herald and for years the renowned editor of Column 8.

"A former quizmaster, who competed on Jack Davey's radio show and on Bob Dyer's Pick a Box, coming second only to Barry Jones, Richards was brilliant, versatile and at all times good-humoured and approachable.

"He joined the Herald as a sub-editor in 1958 and spent 45 years with the paper and other Fairfax publications. He worked variously as sub-editor, London news editor and for 15 years, editor of Column 8."

We will miss you, George, including your passion for the game of cricket, your warmth and good humour, plus all those great stories!

PS. George's son Benjamin served on the Primary Club Committee for 12 years in a marketing and communications role, as well as assisting with event photography.

Brad Oldridge
Honorary Secretary

Vale George Richards

SYDNEY CRICKET SEASON, 2023/24

After landing back in Australia following a memorable England Ashes tour, it didn't take long for the team to dust themselves off and get right back into the rhythm of the 2023/24 season, winning 9 of the 15 matches played.

2023/24 added so much more diversity of talent, with players debuting from clubs including Camden, Castle Hill RSL, Chatswood Gypsies, Newcastle and Fire & Rescue NSW. It also marked the return of PCA alumni such as Mark Phipps (Honorary Treasurer) and Luke Minto. There were some unforgettable thrillers vs Marrickville, Cricketers Club of NSW and I Zingari, and some forgettable matches in 40'C+ vs Barker Brown Hornets and Reg Bartley XI.

Highest run scorer for the season was Greg Stark with 287 runs, while David Ince took out the bowling honours with 14 wickers.

We get a true sense of the impact and reach of our purpose, with a growing number of players from opposition clubs in 2023/24 asking to join the PCA family as a way of making a meaningful contribution to the community while playing a game they love.

And final word goes to our Skipper Nathan '50 Shades Of' Reay. "Thank you to every player who has pulled on the PCA shirt this season. It has been a tricky season with availability at times, but we have kept going and had a superb season overall with some amazing wins, plus debuts for the next generation of PCA stalwarts, and at the core, still doing what we do best and representing the charity in all types of cricket including the highlight of the annual match against the NSW Blind XI. Cheers, Skip."

Cricket Scribe

ENGLAND TOUR 2023 REPORT

The Primary Club of Australia continues its tradition of tours to the UK during their Ashes Summer, with a 16-day tour of England in late July/early August.

The tour party included six of the current committee, along with a terrific group of players and, more importantly, fantastic guys that did the charity proud both on and off the pitch. The tour started in unfortunately damp conditions at Windsor Castle, although the Royal Household CC did a fine job of making up for the lack of play by hosting us exceptionally well in the Royal pavilion! The next day the cricketing action started in earnest, with a closely contested nail-biter at Sheffield Park (historically the first venue of the Australian international team's early tours to England in the 1890s). Armadillos CC managed to get over the line with just two wickets ahead in a low scoring thriller on a difficult deck, in what eventually proved to be the Primary Club's only defeat on the tour.

Much fun was had during the tour's golf tournament at Hever Castle in Kent the next day, before a drawn match at Belmont House (Kent) followed, where the terrific hosting of Shepway Stragglers proved to be a tour highlight. The tour then moved north from Canterbury to the northern end of the country, where we were based in the stunning, historic city of York. Matches at the lovely Yorkshire village venues of Bolton Percy & Escrick Park against the XL Club (at Bolton Percy) and the Yorkshire Gentlemen (one of the oldest amateur sports teams in the world) resulted in a win and a thrilling draw (with the latter coming down to the last few overs of a declaration game being blocked out with only one wicket left).

The tour party subsequently headed down to the South-West of England and the beautiful rural county of Devon, where matches were played at two of the most stunning grounds in the UK. The first was against Sidmouth CC (where a fine bowling performance secured a fine win despite a low total being posted on a damp wicket) and the second at the wonderfully scenic Valley of the Rocks - where committee member, Gavan Carroll, provided the playing highlight of the tour with a magnificent unbeaten century to help the team chase a big total to defeat Lynton & Lynmouth CC in the last over.

The tour ended up with a disappointing washout back in London at the Honourable Artillery Company, but the tour dinner in Central London was a great way to end things on a positive note.

Thanks to all of the terrific tour party members and their supporters who helped make this such a fantastic tour, helping to spread the word of the Primary Club of Australia while also raising extra funds for the charity.

Rob Stevenson
Committee & Cricket Secretary
